DANIELSON

Married Man and Minor in Court on Accusation of 15 Year Old Girl—Hopkins Brothers of Elmville Held Other Arrears to Follow—Funeral of Samuel Clements—Business Men's Association May Favor Jitney Lines.

There was a great deal of business—much of it edifying—awaiting Judge W. F. Woodward's attention at the opening of the town court session Saturday morning.

Peter Boovey was given 30 days for intoxication. He had drifted into town and fallen before temptation.

Quarrelled, Sent to Jail.

John J. Lowney, a transient mill employe, charged with intoxication and breach of the peace, was given 30 days in jail. Fred Rothwell, another stranger, got a sentence of 60 days for breach of the peace and intoxication.

Lowney and Rothwell had engaged in a fight from which both had emerged with injuries, the services of a physician being necessary to mend their hurts.

Rothwell had a V-shaped cut over the bridge of his nose which was caused by a kick. Lowney had a deep laceration on his right hand and he complained that the arm was twisted and painful. The cause of the men's warfare was quite unimportant.

Degenerate Bound Over.

William C. Lewis, married, was presented to answer to a charge of having abused a female child—Miss Anna Duffey, just over 10 years of age. Lewis, who is a resident here, pleaded guilty and was bound over to the superior court under bonds of \$1,000.

Under Age, Yet Vicious.

Robert King, also of Danielson, faced a similar charge as did Lewis. He is a minor, and W. E. Keach was appointed his guardian ad litem. A plea of not guilty was entered for King and today fixed as the time for a hearing.

The Girl in the Case.

The arrest of Lewis and King followed revelations made to prosecuting Attorney A. G. Bill by Miss Duffey, who is an orphan and has been making her home at the Killingly Center. The girl has been loitering about town for the past few days, and her actions were such as to arouse suspicion and investigation. She was taken into custody by Chief Michael J. Grimshaw.

The girl has been employed in a local mill, but having fainted several times while at work at the plant, she was discharged, her health being in danger. She is anemic and so frail as to indicate the likelihood of developing tuberculosis. Mr. Bill said Saturday that she will be sent to the state school for girls.

Elmville Brothers Held.

At a session of the town court held Saturday afternoon Sidney Hopkins and Raymond Hopkins, brothers of Elmville, were held in default of \$1,000 each for trial at the superior court probable cause for holding them being found after they had been given a hearing on a charge of abusing a female child, Anna Duffey, 15.

The arrest of the Hopkins brothers makes a total of four persons who have been sent to jail for their part in the result of revelations by the Duffey girl to prosecuting Attorney Arthur G. Bill.

The Hopkins brothers pleaded not guilty to the charge against them.

COMFORT BAGS COMPLETED.

Twenty-five Ready and an Equal Number Expected by Tonight.

Mrs. Alfred L. Reed, president of the Danielson Red Cross auxiliary, said Saturday afternoon that 25 comfort bags to be forwarded to the members of the Thirteenth company, C. A. are completed and that as many more bags are expected to be ready by this evening. Mrs. Reed has appealed to all those who are making the bags for delivery of them to her by tonight, as she intends to forward them to Bridgeport Tuesday morning.

The bags are packed with supplies of paper, envelopes, buttons, pins, safety pins, needles and thread, playing cards, tobacco and cigars and a number of other articles that will be appreciated by the guardsmen.

FUNERAL.

Samuel Clements.

Congregational church in Brooklyn Sunday afternoon at 2 o'clock funeral services were conducted by Rev. A. E. Kimbrough for Samuel Clements, who died Thursday morning, following his being taken suddenly ill by the roadside near Williamsville. Burial was in the Brooklyn

END INDIGESTION OR STOMACH PAIN IN FIVE MINUTES

"PAPE'S DIAPERSIN" MAKES SICK, SOUR, GASSY STOMACHS FEEL FINE

Time it! In five minutes your sour, acid stomach feels fine. No indigestion, heartburn, or belching of gas, or eruptions of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapersin is noted for its speed in sweetening upset stomachs. It is the surest, quickest and most certain stomach antacid in the whole world and besides, it is harmless.

Millions of men and women now eat their favorite foods without worry—they know Pape's Diapersin will save them from such misery.

Please, for your sake, get a large fifty-cent bottle of Pape's Diapersin from any drug store and put your stomach right. Don't keep on being miserable—life is too short—you are not here long. Eat what you like and enjoy it, without dread of acid fermentation in the stomach.

Pape's Diapersin belongs in your home anyway. Should one of the family eat something which doesn't agree with them, or in case of an attack of indigestion, dyspepsia, gastritis or stomach derangement due to fermentation and acidity, at daytime or during the night, it is handy to give the quickest, surest relief known.

PUTNAM

President Robert W. Perkins Comes From Norwich to Discuss Proposed Trolley Loop—Bad Time For Project, When No Line is Paying and When Building Costs 75 Per Cent. More Than Two Years Ago—Will Have Route Surveyed, However.

President Robert W. Perkins of the Shore Line Electric Railway Company met Mayor J. J. McGarry, members of the common council and other department heads of the city government and the town's members of the legislature Saturday afternoon, at a conference held at the central fire station and talked over street railway extensions in this city.

The proposition that the Putnam men put up to President Perkins was one that has been hanging fire for 10 years, these men in the building section of the present electric line at the corner of Elm and Providence streets, through Providence and Marshall streets and Woodstock avenue to Church street and then back into the business section either through John street or over a proposed trolley spanning the Quinebaug river into Bullock street, or through Church to Pomfret street and through that street to Exchange corner.

Promised By Former Manager.

Senator Archibald Macdonald explained to President Perkins that the city's claim to the extension for which it is asking at this time is

based upon a promise made by the company to which the city granted a charter for building the line through the city—that if a charter were granted that, within four months after the completion of the line, a loop would be built over the route where it is now wanted, and that the promise never has been redeemed. Senator Macdonald further stated that during his administration the company had taken up the matter of building the loop with General Manager J. K. Punderford of the Connecticut company, and that Mr. Punderford had promised him that the loop would be built. Just after this, however, the Connecticut company leased the Eastern Connecticut lines to the Shore Line Electric Railway company, so the matter has since remained in abeyance, although Mr. Punderford in the past few days, has recalled his promise to Senator Macdonald.

Petition For Loop.

Mayor McGarry explained to Mr. Perkins that a petition, with many signatures, has been received by the common council, asking that action be taken to secure the building of the line at once.

President Perkins' Explanation.

President Perkins was frank in discussing the proposition. He would have to present the matter to the Connecticut company he said, for under the lease through which the lines came to the Shore Line Electric Railway company the Connecticut company is obligated for a 10-year period to furnish money for all capital expenditures, such as new line construction.

Increased Cost of Building.

Also there is to be taken into consideration the extreme high cost of building a line at this time, the cost being not much less than 75 per cent. more than it would have been two years ago. Mr. Perkins also called attention to the fact that the railway business is very unprofitable at the present time, and that during the past year not one line in this state that is engaged in operating a street railway business paid a dividend. He further mentioned that the Shore Line railway never has paid a dividend. On account of the increased operating cost on the Shore lines during the past year the difficulties of making earnings meet expenses has been greater than ever.

An Inopportune Time.

"If the matter were left entirely to me," Mr. Perkins said, "I would discourage you in every way from urging the construction of the line at this time. Putnam people have been nice to us, however, and I shall refer the matter to the Connecticut company. As Mr. Punderford has promised you the extension, I think it will be prompt in presenting the matter to the trustees of his company."

Will Have Route Surveyed.

Mr. Perkins further stated that he would have engineers go over the proposed route for the loop as soon as possible, make a survey and get figures that will show what the extension would cost. He thought that some action might be taken within two weeks. Mr. Perkins made it clear that public utilities commissions are now ruling that investments such as would be made in building the loop should show a reasonable return to the investor, and that the fare charged would have to be sufficient to show such a reasonable return.

Might Cost \$75,000 a Mile.

Asked by Alderman Johnson what it would cost to build such a line as is wanted here, Mr. Perkins said that exclusive of bridges and under normal conditions it would probably be about \$30,000 a mile; under present conditions it might be as much as \$75,000 a mile. It is exceedingly difficult, he said, to get investors to put money in street railways, because so many of the lines have proved losing propositions. It takes \$7 invested to reduce \$1 of gross revenue. The street railway business today, Mr. Perkins said.

It was stated to Mr. Perkins that it is believed that the proposed loop and other city lines that might be operated in connection with it, i. e., the present loop through South Main, Center, King and Grove streets, would produce enough business to prove profitable.

Various features of the proposed plan were gone into at the conference, which was very harmonious.

At the Conference.

Those who were present were Mayor J. J. McGarry, Senator Archibald Macdonald, Representatives E. B. Kent and A. A. Brodeur, Aldermen John G. Johnson, George L. Padgett, J. J. Dupe, City Clerk T. F. Ryan, Street Superintendent Frederick Dumas.

The gentlemen thanked Mr. Perkins for the opportunity of the conference.

SHORT CALENDAR SESSION

And Assignment of Cases Tomorrow—Eight Cases to Jury and Three to Court.

There is to be a short calendar session of the superior court here Tuesday, opening at 10:30, with Judge Gardiner presiding. The arrangement of business is as follows:

Short Calendar—P. H. McCarthy et al. appeal from probate, Phillips Lead and Supply Co. vs. H. E. Anderson and Ellen S. Anderson, R. H. Bradley et al. vs. John A. Hart, George W. Thompsonville, Conn. vs. Reeves, a graduate of Killingly High school and has been prominent in musical and dramatic circles here.

Reeves-Laundry Engagement.

Mr. appeal from probate, Phillips Lead and Supply Co. vs. H. E. Anderson and Ellen S. Anderson, R. H. Bradley et al. vs. John A. Hart, George W. Thompsonville, Conn. vs. Reeves, a graduate of Killingly High school and has been prominent in musical and dramatic circles here.

Representative Kelley.

CRITICALLY ILL.

Returns From Hartford Friday Night and Develops Serious Case of Pneumonia.

Representative W. P. Kelley of Killingly was critically ill with pneumonia at his home in Dayville Sunday night and under almost constant attendance of a physician. He continued the sessions of the house last week but became so ill Friday evening when he returned to Dayville that a physician was summoned for the first time.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

IF CROSS, FEVERISH OR BILIOUS GIVE "CALIFORNIA SYRUP OF FIGS."

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally, look Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of California Syrup of Figs, and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mother can rest easy after giving this harmless "Fruit Laxative" because it never fails to cleanse the little one's liver and bowels and sweeten the stomach, and they dearly love its pleasant taste. Full directions for babies, children of all ages, and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

based upon a promise made by the company to which the city granted a charter for building the line through the city—that if a charter were granted that, within four months after the completion of the line, a loop would be built over the route where it is now wanted, and that the promise never has been redeemed.
